25X1C 9. (Secret - GLC) At his request, I met with George Murphy, on the staff of the Joint Committee on Atomic Energy. Murphy wished to restate his interest in [redacted] In keeping 25X1C with his interest in [redacted] and the Joint Committee queries to the Director on these cases in the past, Murphy has asked if 25X1C we would keep him informed on this case since he thinks it is highly likely that atomic energy information is involved despite the fact that [redacted] had no formal access to atomic information.

Murphy also expressed interest in the "Green Beret" case. I told him only that this was an Army case and not one which was run by the 25X1 Agency, and that the Agency (contrary to some press allegations) had not recommended physical termination.

10. (Unclassified - LLM) [redacted] summer intern in the office 25X1A of Senator Robert Dole (R., Kans.), called for himself to find out the prospects for summer employment next year. I explained the limitations of our program and that we would prefer to review applications about six months prior to graduation. In view of his possible career interest in the Agency, however, I gave him [redacted] 25X1A in the Office of Personnel, number so that he could have the benefit of a personal meeting as long as he was in town.
